

Licensed Practical Nurse

Desert Senita Community Health Center is seeking a Licensed Practical Nurse (LPN) to join our team in Arizona City. Desert Senita Community Health Center is a Federally Qualified Community Health Center (FQHC), with 2 sites in Ajo and Arizona City.

The ideal candidate will have the following education and experience:

- Demonstrated knowledge of organizational policies, regulations and procedures to administer patient care
- Demonstrated knowledge of medical equipment and instruments to administer patient care
- Demonstrated ability in preparing and maintaining records and responding to correspondence
- Demonstrated ability in establishing and maintaining effective working relationships with patients, medical staff, and the public
- Demonstrated ability to handle multiple tasks efficiently and to react calmly in emergency situations
- Graduate of an accredited school of practical nursing.
- Arizona certification or license as LPN
- Two (2) years of clinical experience in a health center and/or public health setting preferred
- Cardiopulmonary resuscitation (CPR) certification, Advanced Cardiac Life Support (ACLS), intravenous therapy certification preferred

The ideal candidate will also possess the following knowledge, skills, and abilities:

- Utilize the nursing process to provide direct nursing care within scope of license or certification according to the Arizona State Nurse Practice Act, other regulatory agencies, and clinic policies and procedures
- Document procedures, medications, delivery of care, and pertinent information regarding nursing care rendered to the patient
- Provides patient education and teaching
- Actively supports and participates in chronic disease collaborative(s) and/or other re-engineering and quality improvement efforts, including testing and implementation of changes as appropriate
- Infection Control Coordinator.
- Maintain Employee Health records
- Maintain Workman's Compensation records
- Wound Care: applies and removes dressings under the direction of the provider.
- Conducts hearing, vision, spirometry, and EKG testing.
- Obtains accurate patient vital signs-. Reports out of range results to Provider.
- Performs point of care testing.
