

Community Health Worker- Care Coordination

Desert Senita Community Healthcare is seeking a Community Health Worker to join our team. Desert Senita Community Healthcare is a Federally Qualified Community Health Center (FQHC), with 2 sites in Ajo and Arizona City.

The ideal candidate will have the following education and experience:

- High school diploma/GED or equivalent working knowledge. Knowledge as normally obtained through graduation from an Accredited Medical Assisting Program.
- Medical Assistant Certification with 2+ years of experience.
- BLS certification required.
- Strong computer skills, including the ability to work with medical software.
- Exceptional interpersonal and communication skills.
- Managing multiple changing priorities in an effective and organized fashion.
- Performing repetitive or routine duties working from detailed instructions and under standard procedures.
- Bilingual (English and Spanish) preferred.

Preferred Qualifications:

- Experience with office medical procedures and treatments, and knowledge of insurance, managed care operations, NextGen EMR and scheduling preferred.
- Additional related education and/or experience preferred.

The ideal candidate will also possess the following knowledge, skills, and abilities:

- Performs chart reviews to ensure coordinated patient care.
- Utilizes evidence-based guidelines when identifying care gaps for preventative and maintenance care.
- Utilizes standing orders as appropriate.
- Knowledge of chronic disease management preferred.
- Utilizes EHR to obtain medical information when communicating with the patient or medical care team regarding respective preventative care, chronic care, specific medications, high-risk patients, and those not seen recently in the clinic.
- Collaborates with the care team to meet expected performance metrics and clinical quality measures. Identifies areas for improvement based on results of clinical performance where applicable.
- Maintains clinical skills and provides direct patient care on an as needed basis.
- Proficient computer skills including Microsoft Office.
- Utilizes Patient data systems and run reports.
- Acts as a direct liaison for families within the specified disease population.
- Communicates effectively and professionally with staff, patients, community members, and partners to promote Desert Senita Community Health Center (DSCHC) through events, programs, and/or face-to-face contact, in either large groups and/or one-on-one environments.

DESERT  SENITA
COMMUNITY HEALTH CENTER
Quality, Local, Affordable Health Care for All

- Connects patients to relevant community resources, with the goal of enhancing patient health and well-being, increasing patient satisfaction, and reducing health care costs.
- Follows CHW Core Competencies, including, but not limited to, project-specific education and CHW training conferences, workshops, and classes.
- Utilizes DSCHC tools and resources essential to Care Coordination.
- Actively participates in and support Quality Improvement efforts, including testing and implementation of changes as appropriate.
- Maintains patient confidentiality at all times.
